Designed by world-renowned architect, Richard Rogers, The Capitol Hill Center sits within one of the most stunning buildings in all of Washington D.C. – 300 New Jersey Ave. This Leed Gold Certified modern structure effortlessly blends progressive styling with historic surroundings like nothing ever seen before in Washington D.C. The trophy office space offers floor-to-ceiling windows and interior wall-to-wall glass revealing a soaring 10-story atrium. The building sits a mere 1,600 feet from the steps of the U.S. Capitol and only two blocks from Union Station. It's a remarkable building graced with the most prestigious business address in Washington.
